

30<sup>th</sup> January 2018

Dear Parents and Carers,

Our able students in years 11 and 12 are wonderfully ambitious, interested and enthusiastic. It was lovely to be able to talk to so many of them in my recent Oxbridge PSHE session and we look forward to being able to invite Year 11 to a Cambridge University trip very soon. Last year we visited Robinson College and this year it will be Gonville and Caius.

Year 11 and 12 is the perfect time for them to be exploring possible university subject choices, reading widely, and taking advantage of every opportunity to attend talks or masterclasses and to engage with super-curricular competitions.

Please find below a number of links to various opportunities at Cambridge University over the next couple of months. I hope everyone will find at least one item of interest! If your sons or daughters attend any of these or similar events (all universities have a range of similar opportunities) or enter any competitions, do please encourage them to let me know and to be sure to get myself or a relevant teacher to sign their St Mary's Award cards.

Best wishes,

Mrs C Wilkin  
Assistant Headteacher

Subject Taster Days at Jesus College Cambridge during February Half term
