Oxbridge Preparation Morning – 6th June 2018

Dear Parents / Carers,

I would like to invite your son / daughter to an Oxbridge Preparation Morning at Birchwood High School on Wednesday 6th June 2018.

The Bishop's Stortford Educational Trust (BSET) work together and as Heads of Sixth Form we decided that it would be very beneficial for our Year 12 cohort to have an introduction to applying to Oxbridge. The Schools team from Gonville and Caius will be talking to Year 12 across the five schools to guide them through the process.

The session will focus on:

- Overview of the entire process
- Information on the major elements of personal statements, admissions assessments and interviews
- Q & A session at the end
- Time to network with other students at end

Please may I ask that you fill in the reply slip below to give your permission for your son / daughter to attend?

With kind regards,

Miss V Workman
Director of Sixth Form
