Instrumental Lessons at St Mary's

It is very important that if your child is having instrumental lessons, they must check the music timetables weekly and make a note of the day and time in their planner. It is their responsibility to make sure they leave their subject lesson on time and arrive to their instrumental lesson with their music and their instrument.

Any questions or queries please speak to Miss Matthews Head of Music.

Absences:

In the event of a known absence for medical appointments, Music Exams, work experience interviews etc. Please notify the school in advance of any pre-arranged absence or treatment, these absences should be recorded in the student planner. The student concerned should show their planner to their Form Tutor in advance, if a student is leaving during the school day any absence must be authorised by their Head of Year before they sign out at reception. To access our attendance policy please visit our website www.stmarys.net

Lost property:

Please ensure all your property is clearly labelled with your First name and Surname.

When students lose property they should visit and look in the classroom or area where they believe the property was left. If you misplaces any PE kit in the Sports Hall they should first speak to a member of the PE staff to access "Lost and Found" in the PE department, lost footwear is contained in cupboards behind the Sixth Form adjacent to the Sixth Form Block, or the red wheelie bin outside H1 Science room.

Extra-Curricular Clubs:

Every student is encouraged to participate in TWO extra-curricular activities.

Students should be working towards their St Mary's Award and are encouraged to participate and utilise opportunities for enrichment and challenge.

Prayer:

For the people of the Caribbean as they recover from the effects of Storm Irma:
 May God console the relatives and friends of those who died and swiftly bring support to those struggling to rebuild their lives.

We ask this, our prayer, through Christ, Our Lord. Amen
